

SHORT DESCRIPTION

FreshKart is an Indian online grocery service. The company primarily delivers grocery goods found in convenience stores, home essentials and food supplies to customers. The fresh fruits and vegetables are directly bought from the farm vendors therefore there is not extra cost between the customer and the seller

WORKFLOW DIAGRAM

This project

Bootstrap and Fontawesome

Languages : html , css , jquery , javascript , Web Application Framework, Angular js, Node js , Mongo db

Server.js

```
var express = require('express');
var ejs = require('ejs');
var path = require('path');
var app = express();
